The MASON LINE

by Chan Mason

We heard a commentator give out with a rather startling bit of information the other evening. The commentator was speaking of "a pilot who flew a rocket plane at 'almost twice the **sound of speed.'** "

The phrase sorta grows on you doesn't it?

ML

We hear its strictly hush-hush stuff, so lets just say "It is rumored that a local lending institution is soon moving to a newer and larger building." Could be along Imperial ave.

Not far from that site comes news of another building plan to house two mercantile-type businesses. At least 100 front footage.

ML

The much cussed and discussed railroad right of way lease is still hanging fire. Tis said that within sixty days 'Keep Off' signs will be erected along the same railroad's right of way in Encanto. Which may portend no good for our town's parking problem.

We guess there are a great many legal technicalities involved but many people hope the difficulty is resolved soon. Our little old town can ill afford the loss of any of its parking facilities from here on in.

ML

Wonder how long it will take us to get over dialing HOperator?

SOCIAL NOTE; Kiwanis Club members and their wives ushered in the Monsoon season last Saturday night at the Kona Kai Club on Shelter Island.

Freeborn Cressy was a picture of sartorial splendor in a sharkskin suit with built-in water wings.

The Wizzard of Terpsichore, John Dail was no Arthur Murray. His flippers flapped all over the place, we are told.

We are not sure if that was a diving helmet Dick Paden was wearing or if he always looks that way on Saturday Night.

Note to Editor; Dear Ed., Never let any of those guys do a guest column. They'll massacree me!

We hear that already some anonymous character is coming up with a column called "The Dixon Line" This has already led to one war. Leave us have Peace Brother, its wonderful!

Some Lemon Grove young lady may win $10,000 if she is chosen Miss 102 at a contest which is being sponsored by the Lemon Grove Review.

Young ladies from 102 communities in Southern California are being invited to contest for the prize and all she has to do is exhibit normal feminine charm to win. The contest is being sponsored by the Maier Brewing Company and there is no letter to write nor is there any obligation to enter the contest.

The Review has asked local service clubs to sponsor any young lady who might be interested.

Two Broadway Locations Change Hands

Sale of a modern store building at 7885-87 Broadway, to Anita B. Consigny of Rancho Santa Fe was announced by Richard F. Dwyer, president and general manager of Dwyer-Curlett and Co.

Price involved was reported to be $40,000. William Patch of Escondido and Los Angeles represented both parties as broker.

The building was constructed by H. T. Lucas Construction Co. for Dwyer and Frank O. Root of Los Angeles and leased to Patricia's Ladies Ready-to-Wear and a children's bootery operated by James Pulliam for the Edwards Shoe Co.

With 30 foot frontage on Broadway, the building, adjacent to a new Sprouse-Reitz Store, has a 90 foot depth. Total parking area front and rear comprises 30 by 105 feet.

Theatre to Have Matinee Monday

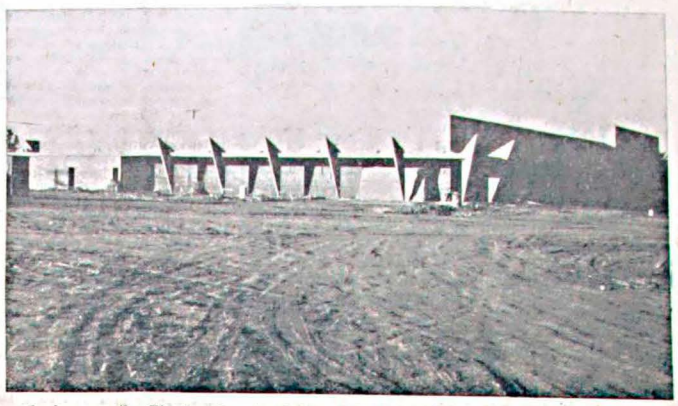
A Washington Birthday matinee will be held for kiddies Monday at the Grove Theater.

Walt Disney's famous technicolor "Sword and the Rose" and "Tumbleweed" with Audie Murphy, also in technicolor will be shown.

In addition several cartoons will be screened. The show will start at 1 p.m. and will be continuous. A complete show will be approximately 3 hours, according to Morgan Ames, theater manager.

The inventory begins as Kenny Stapp, general manager of Big Ace looks over the staple items that will stock the shelves of the new Lemon Grove supermarket when it opens next month. Merchandise, he says, will head for Lemon Grove starting next week.

Big Ace Announces Employment and Operation Policy for Lemon Grove Market



As huge as the Big Ace Supermarket is, it is dwarfed by the big parking area which runs from block to block. The market sits at the southwest corner of the block bounded by Broadway, Olive, Pacific and Buena Vista. In addition to unusual market features there will be a snack-bar, a Swedish bakery, the operator of which was formerly baker for King Gustav of Sweden, a liquor package goods store and a sampling kitchen in which free samples of items handled by Big Ace will be prepared and distributed all day, every day.

Review Will Furnish Application Blanks for Big Ace Employment

Big Ace will employ 125 Lemon Grove residents. Applications for employment have been taken on the premises of the Big Ace. So huge is the building that it has not always been easy to locate the personnel manager.

To facilitate making applications, a supply of employment blanks have been obtained and are available beginning today at the office of the REVIEW. These blanks must be filled in completely and may either be returned to the REVIEW or mailed direct to the Big Ace executive offices.

The REVIEW office is open daily until 5:15 and until 2:15 Saturday.

Big Ace Market will open in Lemon Grove next month bringing with it the biggest payroll in the entire area. What's more, says Jim Banister, president of the firm, every person, except for key personnel who make up part of the supervisory staff, will be hired from among the local ranks of residents.

At a time when the employment picture is less rosy than any time in the past several years, a happy and prosperous future appears in store for residents who have been seeking a local source of income.

Equally important, especially to the home-maker, is the tremendous variety of meats, groceries and produce which will be available at competetive prices. S&H green stamps will go with purchases to give further savings, the management says.

Last week we asked the president of Big Ace some pertinent questions and asked him to respond by letter so that his remarks could become a matter of record.

Here is what Jim Banister said:

GIVES S. & H. GREEN STAMPS

Editor
Lemon Grove Review
Lemon Grove, Calif.
Dear Editor:

Recently you requested from me answers to five questions and here are the answers.

1. COULD YOU DESCRIBE THE INTERIOR APPEARANCE OF THE NEW LEMON GROVE MARKET?

The interior will be finished in pastel colors of green, yellow, chartreuse, tan and peach. More than 200 lineal feet of crystal mirrors, 6½ feet high, will be used across the rear of the market and in the meat department and we will use various types of wood in the decorative finish work. On each of four walls will be a mural in the recessed, shadow box effect with indirect lighting. The entrance will be colorful with terrazzo flooring covering some 4,000 sq. ft. For convenience a novel store directory system will make it easy to find wanted merchandise without wandering all around the store. All the equipment will be the latest in modern design with egg-crate overhang used to set off the bakery and snack bar. We will maintain a demonstration kitchen where customers may sample all types of food as well as receive instructions on preparations of meals. This service will be available every day. And to add to the comfort of shoppers, a huge air-conditioning and heating device will regulate temperature all year 'round. There will be convenient benches inside and out for foot-weary customers, a large bulletin board, telephones and public rest-rooms. The parking lot will be so arranged that there will be no crowding or traffic congestion and it will be brightly illuminated at night.

2. WHAT WILL BE THE MERCHANDISING AND PRICING POLICY OF THIS STORE?

Our policy in Lemon Grove will be as it is at our other markets, that of constantly endeavoring to sell more merchandise for less money. We will never consider selling any merchandise other than top quality. We guarantee all merchandise sold and cheerfully refund money to any person who is not happy with a particular purchase no matter what the item may be. We have a special department that follows up any and all complaints.

3. HOW IS IT POSSIBLE TO GIVE GREEN STAMPS AND BE COMPETITIVE WITH ALL LARGE MARKET OPERATIONS?

This question is constantly asked, and our bookkeeping department always provides the immediate answer. We are willing to make only 1c profit out of each $1.00 spent. Therefore, most of the cost of stamps is realized from our policy of being content with 1% to 3% less profit than is realized by most companies. In addition, our production, per man hour, is greater because we share our profits with the employees, as well as the public. We have the advantage of buying power equal to any organization and by owning our own property we can well afford to accept a much lower rental for doing business. We invite public comparison of our prices, because we are proud of them and want home-makers to know our prices are always competitive and we follow a policy of never being undersold.

4. WILL THERE BE ANY LEASED-OUT DEPARTMENTS IN THE NEW MARKET?

There will be 2 leased departments, one will be the bakery and the other the snack bar. However, our leases are such that we can rigidly control quality and prices of all items sold in these departments. All other departments will be operated exclusively by Big Ace personnel. The bakery should be of particular interest since it will be one of the few truly all-Swedish bakeries in San Diego County. Mr. Bert Bolin, the owner, and his wife, Heljo, have been in this country only 2 years. Mr. Bolin owned 3 bakeries in Stockholm and will offer to the community of Lemon Grove the finest Swedish pastries available anywhere.

5. WILL YOUR COMPANY GO ALL OUT FOR THE CIVIC AND RELIGIOUS INTEREST OF OUR LEMON GROVE COMMUNITY?

In connection with this question, I would like to point out that we have always supported every worthwhile activity in the communities where our markets are located and we will follow the same policy in Lemon Grove. Civic and religious considerations are processed through our general office staff and are seldom refused when the requests are made in genuine sincerity. Dented cans of food, for example, are not sold at Ace Markets. Some operators put them on the shelves at lower prices. Ace contributes all dented merchandise to charity. Last year this amounted to $2,300 at our cost. Obviously, Lemon Grove charities will be recipients of dented foods from the Lemon Grove Big Ace. We intend to do everything in our power to promote the community of Lemon Grove.

I will be glad to answer any other questions in the future if you will bring them to my attention.

Very truly yours,
JIM BANISTER, President
Big Ace Markets

VOTE FOR CLASSROOMS IS 6-1

Citizens in the Lemon Grove Elementary School District this week approved a $550,000 school bond issue by a thumping 6-to-1 margin. An unofficial vote count in the special election was 1,245 yes and 233 opposed.

A two-thirds margin was required for passage of the issue. Funds will provide 29 more classrooms at five schools in the district.

Tally by precincts was: San Miguel School—370 yes, 78 no; Vista La Mesa School—271 yes, 21 no; Lemon Grove Intermediate —231 yes, 83 no; Monterey Heights School—373 yes, 51 no.

This issue will bond the district to its legal limit and trustees will have to go to state or federal authorities for further aid. The district has bonded itself to capacity five times in eight years.

Channing P. Mason, chairman of Citizen's Committee for Schools, expressed appreciation for the efforts of the more than 200 workers which helped make this election a success. Included are the people who were poll watchers, telephone workers, mailing helpers, group contacters, transportation and financial aid and house to house canvassers.

LETTERS TO THE EDITOR

Editor,
Lemon Grove Review:

It isn't a simple task to represent the United States Army in this "Navy town." Because of the magnitude and importance of the Naval installations compared to the relatively small Army detachment, the community is inclined to overlook the Army. The fact remains, however, that there are more "ex-Army" people in the greater San Diego area than there are "ex-Navy." Unfortunately, too few of these have entered the Active Reserve program.

Of all those men eligible to join the active army reserves, less than 10% have done so!

At the present time the Active Army Reserves in the United States, depleted by the Korean war, stand at only 535,000 despite the fact that our nation must be prepared for quick expansion to full military strength in these critical times. We believe that the reason more of the eligible reservists are not participating in the Active Reserves here is that they have not been adequately INFORMED of the small amount of time involved, the efficient program available and especially the benefits in the form of extra pay and generous retirement. The Army Advisory Board in San Diego takes the blame for this deficiency and now proposes to correct the omission by telling those eligible just what they are missing.

Major Roy L. Dedmon, Unit Advisor, is preparing weekly news releases containing facts and information relative to this program. We hope that as an agency of public information your paper will use these newsworthy releases. We will submit from time to time news about the activities of our local Reserve units. You can help our program greatly by giving these items the amount of coverage to which they are entitled. In this very fine way you will be helping to strengthen our nation's preparedness.

Thank you for whatever assistance you can render in this important job.

Yours very truly,
James C. Haugh, chairman
Army Advisory Committee
Sixth Army, U. S. A.

Men's Club To Hear Planning Head

The Lemon Grove Men's Club heard William Jennings, counsel for the La Mesa-Spring Valley-Lemon Grove Irrigation District, review the history of the present system and explain the need for expanded facilities, Friday.

Harry Griffen, board member from the Lemon Grove district, was program chairman and the two men answered pertinent questions concerning the operation and future of the district.

Attention was centered primarily on a citizen's committee which the district had asked to be formed to deal with present and future district problems. Fifty persons from the area have been named to the committee.

This week's program will be about community planning. Attorney Luther Hussey, Judge of Judical Court, will explain what his group has been doing and what it plans for the immediate future.

Judge Hussey was recently named chairman of the planning group by representatives of local groups and organizations. His group has been working closely with the County Planning Department.

Fire Prevention Week Set For Grove

Fire prevention Week has been set for the week of March 15, according to the Lemon Grove Fire Commissioners at the regular monthly meeting last week.

"Lemon Grove has one of the best records in the State," said Chan Mason, chairman of the board of Fire Commissioners. Commissioners Tom Parsons and Paul Tilton said that the inauguration of this program of Public Fire Education is to maintain that record and, if possible, to improve it.

Primary purpose of the program is to acquaint local people to the fact that the best method of fire control is prevention. "However, we also want people to know what to do in case a fire starts," Commissioner Mason said. "The Board of Fire Underwriters for the State of California recognizes the tremendous importance of the program and it may be effective in reducing the present fire rate."

Public fire demonstrations and meetings will be held during Fire Prevention Week. According to Chief Harold L. Hensley, arrangements have been made to have actual demonstrations of fire control and safety measures. The three best known types of fires, wood and paper, oils and gases, and electrical fires, will be ignited and controlled by the Department at a public demonstration. Events of this type are seldom shown to the general public.

School administrators are cooperating with the Fire Department for the success of the program. Many merchants will display items relative to the treatment, prevention and control of fires. The schools and P-TA groups will bring information to the attention of all the parents of Lemon Grove.

'Cat and Canary' to Open Helix Theatre Season

"The Cat and the Canary" will be the winter production of the Town and Country Players for the opening of their season Feb. 24 at Helix High School Little Theater.

The production will be shown on Feb. 24, 25 and 27. Inability to acquire the theater for the night of the 26th accounts for the skipped date.

Jack Clay Returns Aboard USS Repose

Jack A. Clay, fireman, USN, son of Mr. and Mrs. Amos Clay of 6995 Mt. Vernon St., Lemon Grove, arrived here aboard the hospital ship USS Repose.

The Repose has been on continuous duty in the Korean Theater since 1950 with the exception of two annual yard overhaul periods. During that time to present, more than 18,000 sick and wounded members of the UN's forces were admitted to the hospital.

TUTTLE IS NAMED STORE MANAGER

Promotion in the ranks of McMahan personnel was announced this week by Jack McMahan, president of the firm.

Affected locally is William "Bill" Tuttle who was named manager of the Lemon Grove store.

Tuttle, a native San Diegan, joined McMahan in 1951 as manager of their Vista store. In the years following he was assistant manager of the headquarters store in downtown San Diego.

Tuttle, who with his wife, Mary, are parents of two children, Randy, 8 ,and Patricia, 3, have been active in civic activities in the areas in which they have resided.

Tuttle is a captain AUS, Retired, and saw service on three continents. He was in the amphibious invasion of Salerno and Anzio.

Following the war he operated a nightclub and resided in Boston then attended University of Arizona to complete an educational course in accounting major, before returning to San Diego.

"I have been made to feel at home in Lemon Grove already," Tuttle said. "There are so many service personnel in the area. They share the same problems that many other homemakers do at present, that of making major purchases without carrying too heavy a financial burden.

"That is one of the advantages of being associated with McMahan's. We can offer more things that homemakers need with less financial pressure. Mr. McMahan, the firm's president, has instructed me to make this one of the most complete stores in our organization. He has also agreed to allow us to make the most generous terms to residents needing major appliances or furnishings."

Tuttle attended State College before the war.

THE DIMMER VIEW

By MAX GOODWIN

Today I'm going to drip salty tears in my beer for that rapidly growing group of genus homo hubcapiens.

This tribe of bamboozled suckers comprise the present day auto drivers, most of whom were raised with a steering wheel in their hands, who have been led to believe that their welfare and well-being are administered and protected by the casualty insurance companies to which they make their quarterly payments. These payments they have been educated to sweat out uncomplainingly as they do their social security and income tax.

It is my sad duty to disabuse some policy holders of the idea that an innocent participant in an accident will automatically get the damages he and his family are duly entitled to. Let me give you a case at hand to illustrate my point.

Say you are involved in an accident damaging your automobile to the extent of $150. The driver of the other car is at fault, he admits his fault, the cops who converged on the scene take his statement, establish his fault. The next step is to contact the driver's insurance company and fill in the multitude of forms and promptly proceed to get bids on the damage and have the lowest bidder do the work.

Yet oftimes, in a few days, comes a form letter which reads something like this: ". . . Our legal department after careful consideration . . . because of the reasonable doubt of responsibility . . . regretfully informs you that we must decline to make payment."

You then have the privilege of taking the man to court or knocking off $50 and taking him to the small claims court in which case the insurance company is already $50 ahead and if it involves a civil action it may mean time from the job and attorney fees all of which might come to more than the $150 damage.

I have no fault to find with the insurance companies for attempting to defend their position but I do have two points upon which I want to take umbrage with the stand of some of these firms. The ones I have reference to are those who reduce their overhead by not employing a legal staff as such, those who do not even have a staff of investigators although they claim to have investigated and those who

A man was applying for employment with a certain industry and asked the personnel manager: "Does your company pay my Blue Cross insurance?"

"No, you pay for it; it's deducted from your salary each month," he was informed.

"Last place I worked they paid for it," the applicant said.

"Did they give you a life insurance policy, too," the interviewer asked.

"Sure."

"Profit sharing?"

"Sure."

"Two and three-week vacations?"

"Yes, and they had big bonuses, and gifts for your birthday, and——"

"Why did you leave?"

"The company folded."

Davis Plus Freezer Equals Big Savings for Blooms

LENOX FOTO

"Davis' is a shopper's paradise if you have a freezer."

That's the studied opinion of Mrs. August Bloom, 2061 Eldora, Monterey Heights. Harriet, that's her name, and her husband have resided in this area for more than five years. "We haven't found a better market, nor one with lower prices," says she.

"Gus is an electronics technician and he is pretty agile," she reported. "Bill is nineteen and Nancy is thirteen. A family like this needs lots of food and the freezer adds to the savings.

"I always load up on their frozen food specials. Then that big parking lot makes shopping easier, too," she concluded.

Davis Food Center is located at Broadway and Olive and is open daily including Sunday. New check-out stands make for more convenient shopping, most patrons agree. ADV.

Red Cross Opens

By CHARLES GURLEY
Public Information Chairman

Three famous ladies are now at work organizing for the Annual Red Cross Membership and Fund drive to start March 1, just a few Mondays away. These ladies are Mrs. Lee Jordan who will act as chairman and Mrs. Joseph Wooden and Mrs. A. J. Huebesch as co-chairmen, and if they are not already famous, they will be by the time this drive is successfully finished.

Mrs. Jordan and Mrs. Woody, who incidentally own and operate the Leewood Trailer Court, will be remembered for their splendid work in connection with the sewer fight in which they succeeded in obtaining signatures favoring that project from 92 percent of the involved property owners where only 51 percent was necessary. Mrs. Huebesch has been very active with a great many civic projects in the Lemon Grove area.

"We have called a meeting of the Captains for Feb. 22 at 7:30 to 8:30 in the evening at the Recreation Hall at the Leewood Trailer Court, 7150 Broadway, Lemon Grove. We expect to complete our drive in two days, March 2 and 3," said Mrs. Jordan.

MH P-TA Marks Founder's Day

An unusual program was presented by the Monterey Heights P-TA at their regular meeting last week, at which time Founders Day was celebrated. The program was under the direction of the first grade teachers, Mrs. Roberta Smith, Mrs. Madge Lowery, Mrs. Mary Reilly, and Mrs. Gladys Jones. The theme "To Follow Their Example" was enacted by students from the fifth grades. It both humorously and seriously pointed out the principals of the P-TA and the value of the P-TA organization to both school and parents.

An old fashioned portrait of the founders, Alice Birney and Phoebe Hearst was portrayed by Mrs. Ralph Kraft and Mrs. Harold Wolfarth.

An Honorary Life Membership was presented to Mrs. R. E. Davy, retired Girl Scout Neighborhood Chairman.

Past Presidents, Mrs. Tom Best, Mrs. Guy Winton, and Mrs. James Setchell were honored with lovely corsages of camellias, jonquils, and violets.

Mr. Arthur Thomas, principal, gave a fitting inspiration for the evening, "Definition of a Teacher."

An informative report on the P-TA Legislation Dinner was given by Mr. Seymour Metzner.

Mr. Byron Netzley spoke on the timely issue, the School Bond Election.

The color guard was presented by Den 2 of Pack 8, under the leadership of Mrs. Harold Stanley.

Last year's gold ribbon award winning publicity book was presented to Mrs. James Setchell, junior past president, by Mrs. Vance Dittamore, present president.

Hostesses were the mothers of the morning first grades. A beautiful Founder's Day cake was baked, decorated and donated by Mrs. J. Tom Mitchell.

Civil Defense Notes

Charles Gurley HO 6-3745

The second monthly meeting of Civil Defense was even more interesting than the first, the crowd was quite a bit larger so that we anticipate having to move into the larger room for our next meeting.

Deputy director Trumbull of the County Civil Defense unit was on hand to give a number of helpful suggestions all of which were very interesting. Our own "Bob" Bloom produced three sound films of atomic tests and they were surprisingly professional, "Operation Doorstep," "The House in the Middle" and "Emergency Action to Save Lives." Bob has also promised other films at future meetings.

Booklets were distributed on "Family Food Shelf and Emergency Menus" and "Emergency Action to Save Lives," others will be furnished at the next meeting which will be held March 11 but probably in the larger room. "Skip" Heidick described the appearance of an atom bomb, using Dr. Gigliotti as a helpful comparison to make his description more understandable.

The following were present: Mrs. C. W. Brown, Mrs. G. R. Roberts, Mrs. James Martin, Mrs. Jaeger, Mrs. Trumbull, Mrs. Reed, Mrs. Menu, Mrs. Goldie Moore, Mr. and Mrs. Borlin, Mrs. Edna Snyder, Roy E. Nielsen, Mm. Haselden, Charles Botti, Ken Arbo, Henry Robinson, Wm. Secor, Capt. Clarence Heidick, "Bob" Bloom, Lt. Col. Trumbull, Dr. Frank Gigliotti and Charles Gurley.

Beverly Blecha Plays Accordion In Los Angeles

Beverly Blecha, 8 year old daughter of Mr. and Mrs. John Blecha, 3105 Massachusetts Ave., was a recent visitor at the Ferraro Accordion Center in Los Angeles.

With her came her teacher and his wife, Mr. and Mrs. Ralph E. Paulsen, of San Diego.

Beverly is a third grader at San Miguel School and during a recent community kid's day program Beverly won a loving cup as top award for talent. In addition to Beverly, her older sister, Jeannete, aged 10, and her daddy also play accordions and are under the guidance of Mr. Paulsen. Fourteen of Paulsen's students meet regularly in the rumpus room of the Blecha's home every Monday.

Palmer Svalstad Seated as High School Trustee

Palmer Svalstad, head of the Lemon Grove Building Co., was warmly greeted as the new member of the Grossmont Union High School District Board of Trustees at the last meeting. Svalstad was recently appointed by Dr. Cecil Hardesty, County Superintendent of Schools, to fill the unexpired portion of the term of C. C. Cooper.

The board adopted a resolution to purchase 10 acres of the new high school site in Mt. Helix Homelands from F. J. Hansen and took options on an additional 60 acres. The 20 acres of land which will be excess when the high school is developed will be disposed of for residential or public park purposes. Total consideration was $105,000 or $1,500 per acre for the 70 acres.

Harold G. Hughes, Assistant Superintendent, reported that the outlook for portables was unfavorable because of a state regulation which would penalize the district twice for using them. The square footage in portables might be counted on the same basis as permanent construction and the district would be required to contribute the purchase price when it requested state funds for the buildings.

Grove Residents Attend Town Hall Meeting

Dr. Robert Wilcox, assistant professor of political science at State College, was guest speaker at the Town Hall Meeting and Open Forum last week at the Veteran's Hall in El Cajon at which several Lemon Grove residents were guests.

The meeting was under the sponsorship of the democratic council.

Panel members were attorney Don A. Stewart, Bernie Noden, El Cajon city manager, councilman James Hunt, James Free, Bill Risinger and James Jennes. The summary was provided by W. R. Bigger also of State College.

Mrs. Zella Crown, secretary of the delegation for the 30th Congressional District, provided highlights from the recent Fresno Democratic Convention. Dr. H. G. Ferris is president of the group.

Sermon Speaks of God as Mind

That God is infinite Mind and governs man and the universe is discussed in the Sunday Lesson-Sermon on "Mind" in all Churches of Christ, Scientist.

In a Bible citation from Matthew (22:36, 37, 39) a lawyer, tempting Jesus, questions, "Master, which is the great commandment in the law?" Jesus answers, "Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. . . . And the second is like unto it, Thou shalt love thy neighbor as thyself."

Job's Daughters Meet Locally

Job's Daughters Bethels of El Cajon, La Mesa, Ramona and Lemon Grove met at El Cajon Junior High School Auditorium Tuesday. They were hostesses to the Grand Guardian of the State of California on her official visit.

Lemon Grove Bethel held its regular meeting Wednesday in the VFW Hall.

According to Stephen Westover, a man has made a machine with 700 moving wheels, cogs, levers and such, which runs smoothly and accomplishes absolutely nothing.

"Don't laugh," says Steve, "that's not much different than most of us."

Local Heart Fund Contributions to Aid New Center

Lemon Grove will have an important part in the creation of a San Diego Heart Center, the third of its kind on the West Coast, as the local Heart Fund Drive gets under way.

Henry Goldy, proprietor of Michael's, head of the Lemon Grove Heart Fund Drive, said that it appeared possible that Lemon Grove would establish a record that would be hard to equal in future years as various groups and organizations announced intention of taking part in the local drive.

He also stated that for the first time Lemon Grove would be set up as a unit and would establish its own bank account. Funds contributed to the local Heart Fund will be credited directly to the community and will be turned over to the San Diego Heart Fund Association upon completion of the drive at the end of this month.

He also pointed out that the March of Dimes Drive ran well into February, the month in which the Heart Fund Drive was to accomplish its aims.

Named to assist Goldy was Bruce Harms, assistant manager of the First National Bank, as secretary-treasurer. Mrs. Bennett was named chairman in charge of distribution of plastic hearts. She was assisted by Mmes. David Fulton, Harry Bowman and Reon Rauscher.

While the service clubs have not announced their part in the Heart Drive members from these clubs have already given individual aid. For example Bill Niehaber and Bud Nichols, have undertaken the distribution of pledge cards in parts of the Lemon Grove business district.

Dr. A. L. Edgar, well known San Diego physician, will give a talk on Heart Association activities Wednesday at the Kiwanis Club.

A full run-down on clubs and individuals' activity in the drive will be made next week in the Review.

Grossmont Concert Drive Unprecedented Success

Membership subscriptions sold for next year's Grossmont Community Concerts reached the highest figure of any annual membership drive in its history.

The Artist Selection Committee met at the close of the intensive one-week drive last Saturday evening to make the final selection of artists for the 1954-55 season. The list of artists and the dates they will appear will be published as soon as artist contracts are secured.

Friendly Walter Cassel, whose rich baritone voice thrilled Community Concertgoers Sunday night, surprised the Artist Selection Committee Saturday night by appearing at their meeting unannounced. He "dropped in to see how things were going," and sat through the entire meeting, adding his approval of their selection from time to time.

Mr. Cassel's genuine interest in the welfare of Grossmont Concerts, and his generous and finished performances at the concert the following evening, substantiate repeated reports that artists consider our audiences highly appreciative, and for that reason are encouraged to do their best.

San Miguel School Notes

Marian Batchelder, secretary at San Miguel School, was honored last week by the P-TA unit from there when she was the proud recipient of an honorary life membership.

Other happenings at San Miguel include the election of Lary Yost of the fifth grade to the position of Junior Fire Chief for the entire school. He has attended several meetings with Chief Hensley of the Lemon Grove Fire Department, and is now naming assistants and reporting activities.

Lincoln's Birthday, a school holiday, was celebrated last Thursday in all classes with appropriate stories, pictures, and plays. Similar programs will be scheduled this Friday, Feb. 19, for George Washington's Birthday.

San Miguel Chapter O.E.S. Meets Wednesday

San Miguel Chapter No. 579 OES will meet Wednesday night in Friendship Hall.

Worthy Matron, Louise Bennett and Worthy Patron, Sidney Morse, will preside. The first initiation of 1954 officers will take place at this meeting.

Florence Rauscher is chairman of after chapter social.

Fire Lassies Install By Candelight

The Woman's Auxiliary of the Lemon Grove Fire Dept. held their regular meeting Feb. 9 in the home of Mrs. Jean Hamilton.

Plans to help with the school bond election were formulated.

Highlight of the evening came with the installation of new officers in a candlelight ceremony. Mrs. Elizabeth Parsons was reappointed historian.

Hostesses Mrs. Jean Hamilton and Mrs. Lorene Dixon used the Valentine theme in games and refreshments.

Low Down Payment

Much has been said for and about low or no down payments. Most of this is, plainly speaking, so much bunk. Herewith is an offer of small down payment which is bonafide. If you have a good steady job and pay your bills properly I will sell you ANY car on my lot which would total under $195 for $25 down. In other words, bring $25 and you may drive a car home which meets above conditions.

Following are a few examples of prices:

'40	Chev. coupe	$150
'41	Chev. club	250
'41	Chrysler sedan	195
'47	Hudson-6 sedan	195
'39	Mercury sedan	150

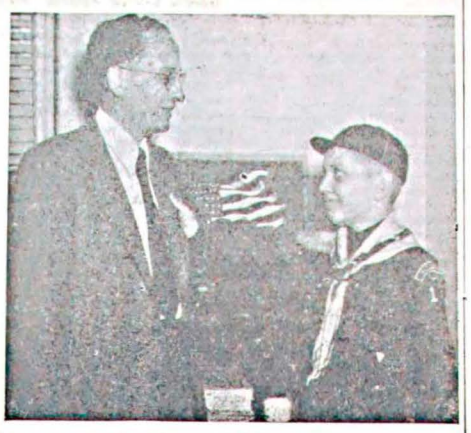
UTT NAMED CUB SCOUT SPONSOR



Congressman James B. Utt, of California's Twenty-eighth District (left), has been named an honorary sponsor of the Cub Scouts for Boy Scout Week which began Febivary 7th. Ronnie Kermon, eight-year-old Cub Scout of Alexandria, Virginia, member of Cub Scout Pack 1484 made the presentation as one of the opening events celebrating the 44th anniversary of the Boy Scouts in America. Prior to receiving the badge, Rep. Utt attended the 44th anniversary breakfast of the Scouts which welcomed to Washington twelve Eagle Scouts selected from the twelve Scout regions. Long interested in Scout work, Congressman Utt returned from Washington last year to attend the Jamboree held at Corona Del Mar, California.

The first letter of the English alphabet, "A" not only indicates ten different sounds but is the abbreviation for several hundred words. In electricity it stands for ampere; in physics for absolute; in music for alte, etc.

No VFW 'Witch Hunt' Promises Local Commander

There will be no "Witch Hunting" for suspected communists by members of the Veterans of Foreign Wars in Lemon Grove according to L. B. Somerville, Commander of Lemon Grove Post 2082.

The announcement came as a result of recent news stories from the east which indicated the national organization of 1,200,000 overseas veterans would soon start an intensive campaign to seek out suspected communists on the neighborhood level and turn the names over to the Federal Bureau of Investigation.

If any member of the VFW should suspect a person in his community of actions indicating efforts to endanger this country and then turned that person's name in to the FBI, the action would be carried out as an individual citizen, but not in connection with any VFW campaign or with VFW sanction, it was explained.

"No one will dispute the fact that it is every citizen's duty to report a thief or any other law breaker to proper authority," he declared.

No names of persons in the Lemon Grove area have ever been submitted to the FBI for investigation, he declared. "There is no committee and no investigations have been made. We think the FBI is the proper authority to handle this problem."

Trifles make perfection, and perfection is no trifle.

Mmes. G. R. Roberts, L. R. Jordan and J. H. Woody have been named branch chairman, fund chairman and co-chairman of the fund committee respectively as a Lemon Grove unit of the American Red Cross was officially formed. A charter has been granted and a local home service is already operating. The announcement was made just prior to the 1954 Red Cross Membership and Fund Drive.

A hard hitting crew of local women took over the operation of the Red Cross for Lemon Grove and announced that a $3,000 quota has been set for this year's fund and membership drive which will be held the first week in March.

Chairman of the Lemon Grove Branch is Mrs. G. R. Roberts, who established regular meeting dates at the Woman's Clubhouse the second Tuesday of each month at 10 o'clock in the morning.

She also named Mrs. L. R. Jordan, fund chairman, and Mrs. J. H. Woody, co-chairman of the fund committee.

Mrs. Roberts said that all clubs and organizations are cooperating fully and that a splendid turn-out at the Feb. 9 meeting made it seem probable that the goal can be achieved.

A comprehensive program for the successful completion of the campaign includes tables, which will be manned at the bank, Thursday and Friday, March 4 and 5, and at the post office on March 6 to follow up a person to person drive on March 2 and 3.

The Business Women's League will contact all business houses on March 2 and 3. Schools will handle their own areas while representatives of all local clubs are expected to canvass the residential districts.

Lemon Grove, Mrs. Roberts pointed out, has been fortunate in obtaining a Red Cross charter and that the community is now officially a Red Cross Branch. This means that any contributions or work done by local residents will be attributed and credited to Lemon Grove proper instead of a district known as the La Mesa-Lemon Grove district as in the years past.

Several cases have already been handled by the newly formed and now operating home service of the Red Cross. A motor corps and station wagon is now available to give assistance to those who need Red Cross transportation. In addition, Mrs. Roberts said, a production chairman, to set up a sewing circle at the Woman's Clubhouse has been named.

Charles Gurley was named public relations chief of the local branch and Mrs. Roberts credits much of the success of the organizational period to his splendid effort.

Lomita P-TA Meets New Recreation Director

Mr. Richard L. Johnson, assistant director of guidance of city schools, was guest speaker at the February meeting of Audubon P-TA in Lomita Village.

Mrs. Hinton and Mrs. Rogers gave a short reading in observance of Founder's Day.

Principal Hammerly reported the present enrollment of Audubon School is 694 and introduced to the group the new playground recreational director, Mr. Al Foder.

Proceeds from the Mother's March on Polio in Lomita was announced by Mrs. A. Highsaw, chairman, as totaling $170.

Elected as members of the nominating committee for next year's officers were Mrs. Dawson, Mr. Wilson, Mr. Fazio, Mrs. Hodge and Mr. Fossel.

Refreshments were served after the meeting was closed.

Applause for the school lad whose teacher asked him where the capitol of the United States is. "In loans all over the world," **Ray Stephens, local realtor,** claims the boy answered.

School Official's Wife Gets Double Honor

Mrs. John Wurzburger, junior past president of the Mt. Helix Council, making one of the presentations to Sybil Solleder while her husband, Samuel, looks on.

Double honors were conferred upon Mrs. S. K. Solleder, president of Mt. Helix Council, recently at Golden Avenue School. Besides being re-elected to the presidency of the council, which embraces P-TA units from Lemon Grove and La Mesa-Spring Valley School Districts, Mrs. Solleder was the recipient of an honorary life membership in the association. This honor is given each year to someone in the communities who has made outstanding contributions to youth. Prior to her work as president in the Mt. Helix Council, she served a term as president of the Lemon Grove School P-TA.

Other officers elected included Mrs. Don Irwin, vice president; Mrs. Ivan Nolan, secretary; Mrs. Harley Thursland, treasurer; Mrs. W. Morgan Thomas, historian; and R. H. Lange, auditor. Mrs. Thursland is present president of the Vista La Mesa P-TA.

A discussion group, led by Troy Reese of La Mesa, talked about the need for walkways for school children both in county communities and in the city of La Mesa. The panel included Mayor Nagel and Attorney Gilbert Harelson, both of La Mesa.

A letter of congratulations was received from the Consolidated District at Hypas, California.

Local Girls in YMCA Recital

MARLENE DAWSON

Two Lemon Grove girls will give a recital Sunday at the Armed Services Y.M.C.A. Concert Hall.

They are Marlene Dawson, daughter of Mr. and Mrs. Henry Dawson of 2111 Massachusetts and Marlene Foster, daughter of Mr. and Mrs. Rex E. Foster of 8288 Lincoln.

Miss Dawson, lyric soprano, is a senior at Helix High and is studying voice under the guidance of Fred Flannigan of La Mesa. She is soloist for the First Baptist Church of Lemon Grove and has sung in many other churches.

Marlene Foster, who is majoring in music at State College, will accompany Miss Dawson and also offer several piano selections.

The program to be presented Sunday will be the following:

The Swan by Saints Saens; Valcik in D Flat by Mokrejs; Rondo (alla turca) by Mozart; Clair de Lune by Debussy; offered by Marlene Foster. Carmena by Wilson; Kerry Dance by Molloy; L'Amour Toujours L'Amour by Frine; offered by Marlene Dawson.

Gene Coughlin, describing the vicissitudes of a dice cheater in the LA Herald-Express, records this bit of action:

"Shoot two hunnert . . ." He rattled and rolled and he whoofed and he poofed and three dice rolled out in plain view.

"Your point is fourteen," said a fader. "Let's see you make it with two dice this time."—FORTNIGHT.

School Costs Can Be Lower If Taxpayers Insist Says Architect

The Lemon Grove Citizen's Committee on School Costs this week sat with Herluf Brydegaard, AIA, well known San Diego architect, and heard him explain that the average citizen is more responsible for high costs of schools than any other group.

Brydegaard explained that the school trustees and the school administrators could not plan and build schools except in relation to the wishes of the taxpayers.

The reason that some schools have been costing too much may well be that the private citizen and taxpayer have failed to take enough interest in school construction costs. This gives school authorities no guide upon which to go, he said.

One suggestion, he offered to communities determined to obtain lower school costs, is to demand that their school district employ a technically qualified consultant. Such a person should have architectural experience with schools and should not be politically alined to any school district, architect or contractor.

Should the district employ such a consultant, his opinion should bear heavily in selection of the architect who is to design and superintend the building program.

The committee, after a two hour discussion with Mr. Brydegaarde, decided to meet Monday and discuss the effect of this week's election on the school's future in the community.

Dr. Gigliotti, the chairman, suggested that the committee meet with tradesmen in the near future to see whether or not they could contribute anything that might result in reduced school costs.

Present, in addition to the chairman, were Mrs. Wm. Brown, Mrs. Paul Harvey, Dr. David Wilhite, Robert Von Willer, Max Goodwin and John Landesco. The group is studying the recent Grand Jury report.

Schools to Close For Washington's Birthday

Schools in the Lemon Grove District will be closed on Monday, February 22, in accordance with the State law to observe Washington's Birthday. Since the holiday falls on Sunday this year, schools and many other institutions will observe it on the day following.

automatically send the form letters rejecting the claim regardless of what the circumstances are. These charges do not apply to "tried and true" reputable organizations.

The second point I wish to make is a backdrop for this entire complaint. It concerns a state-wide publicity campaign directed at every newspaper in the state of California who is a member of the California Newspaper Publishers Association in which the casualty insurance companies of the Pacific Coast are attempting to "educate" the public.

They claim that the "get-as-much-as-I-can-get attitude of the public encouraged by some attorneys and supported by sympathetic juries falsely figuring that the insurance companies will pay the bill, is rapidly raising the operating cost of local governments through higher insurance rates."

That might be so and I think that insurance education is a fine thing but it is having an adverse effect upon the bill-paying insurance purchaser who goes to collect his damages, after being led to believe that insurance companies will satisfactorily settle justifiable complaints.

Juries are so sensitive to this "education" that some families, and I can cite case histories, do not even recover enough to pay for the medical bills much less damages to the car or loss of employment income and possible hazard to their ability to earn a living in the future.

As more tears trickle down these hot moist cheeks I would like to point out the guy with a damaged auto, spirits, or physical being, is entitled to better consideration for his years of support to these insurance companies than a form letter which lies when it states "after careful investigation . . ."

Dancin' Dudes Entertain Guests

Friday night the Dancin' Dudes had as their guests Mr. and Mrs. Mac McKaskle, Mr. and Mrs. Don Davidson, Mr. and Mrs. Tex Lawhorn, Mr. and Mrs. Wilbur Coon and Mr. and Mrs. Chas. Wilson.

The Dudes welcome the two newest members, Donna and Leonard Hemmelsher, to the fold.

A vote of thanks goes to Frank Dyson for taking over and calling the dances in the absence of Dell Lake who lost his voice temporarily.

Dancin' Dudes meet every Friday night at 8 at St. John of the Cross Parish Hall.

Seven Local Churches to Mark World Day of Prayer

Seven community churches will take part in the World Day of Prayer Friday, March 5, it was announced today by Rev. Dan Apra of the First Congregational Church of Lemon Grove.

Taking part in the event which will be held at the local church will be the Lemon Grove Methodist, Seventh Day Adventist, St. Philip's Episcopal, Spring Valley Friend's Church, Spring Valley Baptist and the La Presa Community Church.

The service which includes musical interludes will begin promptly at 10:30. All interested persons, regardless of denomination, are invited.

Fr. Rice Discusses Vocations With Parent's Guild

Book Fair, poster contest, letter awards and a talk on vocations were all features of the February meeting of the Parent's Guild of St. John of the Cross, Thursday night.

The annual display of Catholic literature was augmented by an interesting show of artistic talents of the school children in their poster work. Father Rice, superintendent of schools in the diocese of San Diego, spoke briefly on the growing need of a Catholic Press and presented pictures and an informative discussion on vocations.

Father Rice, assisted by Vincent Mullen, playground director, presented school letters to the boys and girls who took part in the football and volleyball league games. A special award went to Jerry Wingo for making the All Star Team of Parochial School Football League.

Winners of the poster contest will be awarded prizes by the Catholic Daughters at the next Guild meeting.

Mr. Warnimont, bus committee chairman, announced that the new bus is in service and urged all members to get behind the March Ham Dinner, proceeds from which will go to the bus committee to defray the cost of the new equipment.

Mr. Kenny reported that improvement of the road conditions on Washington have been promised to be under way before Easter.

Guild membership will be represented at Red Cross and Community Chest meetings by Mrs. Osterberg who will welcome assistance from all interested members.

Golden School Students Learn by Television

Golden Avenue School's primary grades initiated a new kind of visiting day last week. Grades one, two and three—five classes of one hundred seventy-five youngsters, went visiting en masse. Occasion for the visiting was the City and County Schools initial televised science lesson for primary grade children.

Subject for the first lesson was "San Diego Harbor." Teachers had an introductory lesson before their youngsters saw the program and did some follow-up teaching afterward. They were very pleased with the amount of information their pupils had gained from the telecast. Teachers and pupils are looking forward to seven more programs in the series. We don't know how the hostess-parents will feel about it.

Parents acting as hostesses were Mrs. W. F. Cornelius, 7844 Lincoln ave.; Mrs. Donald Dickinson, 8136 Roy; Mrs. D. A. Luscomb, 8476 Palm; Mrs. Henry Anderson, 2790 New Jersey; and Mrs. Walter Nisleit, 3275 Acacia.

Writer's Club To Elect

The La Mesa Writer's Club will meet Monday in the Spring House, Collier Park, La Mesa. Board meeting at 12:30 and regular meeting at 1:30 p.m.

Main item of business will be the reading and criticism of original display ads.

A committee will be appointed to present the new slate of officers for the ensuing year and election of officers will be held at the April meeting.

'Arsenic' to Go to the Boards

The Heartland Players of Lemon Grove started casting for "Arsenic and Old Lace" at a meeting held last Monday night at the Woman's Club. The production, directed by supervising director Bud Coffin, is expected to be ready about the second of April, and will be presented on two consecutive weekends.

The Heartland Players need more members. Lots of wonderful plays could be presented with a larger active membership. Visitors may watch the rehearsals for "Arsenic and Old Lace" and see if they think it would be fun to join the little theater group.

Doing easily what others find difficult is talent.

Doing what is impossible for talent is genius.

Here is a royal wink from her royal highness, Queen Carolyn Roberts of Highland, California.

Carolyn was chosen to represent her community in the California Orange Queen contest, the winner of which will reign over the 39th Annual National Orange Show in San Bernardino late in March.

Nearly 40 girls from four Southern California counties will compete for that title.

Mrs. Morgan Honored For P-TA Service

It was an evening of surprises at the Golden Avenue School, when the P-TA met Thursday for the regular February meeting.

Perhaps the greatest surprise was the award of the Honorary Life Membership in P-TA to Mrs. Bruce Morgan, for her unselfish service for P-TA and the children of the school.

The second surprise was when little 18-month Gary Heiserman was carried onto the stage in a play pen. He represented the 18th month of the granting of a charter to Golden Avenue School.

Mrs. Frank Armstrong, Founder's Day chairman, presented the group with a well informed program about the beginning, and growth of P-TA.

On the musical side of the program, the Brass Sextette of the Junior High School, under the direction of Paul Cheatam, gave two selections, and the Mothers-singers of John Adams School were very entertaining with their "commercials" for the P-TA magazine.

Rev. Dan Apra gave the benediction, after which a social period followed.

Kids Write Ode to Our Police Force

Second grade children of Golden Avenue School have been studying "The Policeman" in Social Studies. Sheriff Rigley, from the San Diego County Sheriff's Office, came to visit them. He explained the difference in his work and that of the Highway Patrol Officers. Sheriff Rigley gave each of the children a booklet, "Play Safe." They learned how policemen help them and that all policemen are their friends. Here are some poems the children wrote:

A policeman in his suit of blue
Is always ready to help you.
When in need if you will call
He will help you all.
Susan Young

The policeman is our helper
He helps us every day.
He stops the cars to make it safe
For us to find our way.
Janice Anderson

The policeman is our friend
I watch him every day.
But when a murderer is on his way
He never stops to play.
Sharon Weedman

Policemen are our friends
Wherever we go.
They stop all traffic and
Make drivers go slow.
Spencer Bell

I am a policeman big and tall
I am here to help you one and all
I show you where to cross the street
My uniform is always neat.
And you and I are very good friends
So this is where my story ends.

On Wednesday and Thursday of next week, special tests will be administered by counselers from Helix High School in the Grossmont District to all eighth graders in the Lemon Grove Junior High. Each year these comprehensive tests, which include reading, mathematics, and a general IQ test, are given to the students to help determine programs and scheduling for the Freshman year at Helix. When the tests are scored later in the spring, parent conferences will be set up with the Helix counselors.

A pulpit committee was named at the congregational meeting last Sunday morning, whose duty it is to contact candidates to fill the vacancy in the pastorate, occasioned by the resignation of Rev. John Chandler.

The congregation will honor Rev. and Mrs. Chandler at a farewell party in Fellowship Hall Wednesday evening.

Woman's Juniors Schedule Business Meeting

A business meeting of the Lemon Grove Woman's Club Juniors will be held at the Woman's Clubhouse Tuesday evening at 8:00 p.m.

A report on the new Red Cross Branch office will be given by Chairman, Mrs. Warren Bellows, and plans for the club's participation in this year's drive will be discussed. Mrs. Ray Moore, Civil Defense Chairman, will report on local activities of civil defense. Members will enjoy the use of the new sound system recently installed and purchased from profits of the club sponsored Levi & Laces square dancing class.

The evening's hostesses will be Mmes. S. C. Brumbaugh, Jr., Raymond Johnston, and Herbert Johnson.

A number of Juniors are planning to attend the luncheon and card party being given by the Lemon Grove Woman's Club Tuesday at 12:00 noon, at which the Junior State President, Mrs. Mrs. James Kavanagh, State present.

At their last meeting, the Juniors voted to spend $500.00 for athletic equipment and tumbling mats for the Lemon Grove Youth Center to be used in connection with the summer recreation program.

Seventeen Lemon Grove couples attended the festivities at the County Federation Valentine's Dance last Saturday night at the Manor Hotel. Mrs. Bert Betts, chairman, announced there was a record attendance from the entire county and the evening was not only enjoyable, but profitable as well.
